BELLE GLADE, FL.

Crane resigns Chamber post

BELLE GLADE—Jewel Crane, executive secretary for the Belle Glade Chamber of Commerce, turned in her resignation to the Chamber Board of Directors on Thursday, November 14, after 16 years of service.

"It's eating on me that no one but the Board (of Directors) loves this city," said Crane.

Crane said she was never compensated for gas mileage, cleaned the chamber, and has no insurance retirement plan.

"The salary is not in question here. The load

is too big for that lack of appreciation," said Crane. "I hate to say I'm bitter about it, but I am."

Crane also cut on city officials by saying they don't appreciate the chamber.

"We are working for the same purpose," said Crane. "The chamber is the front door to the city. It promotes the city."

The board tabled her resignation, effective Jan. 1, until the next meeting despite Crane's suggestion that her replacement need approximately \$15,000.

Town Talk

Barbeque set

There will be a chicken and pork barbeque from noon to 5 p.m. on Saturday, December 7 at the Belle Glade Marina.

The event is sponsored by the Amara Shrine Temple, Iron Horse Unit to benefit the Crippled Children Hospitals and Burn Institutes.

Donation is \$5.

Bake Sale

The Miracle Temple Ministries youth group will be having a bake sale at Winn Dixie Store in the Glades Plaza.

The bake sale will be Saturday, Nov. 23 starting at 8 a.m.

Heritage Day

A Heritage Day celebration will begin at noon, Saturday, November 23, at Airport Park. The event is sponsored by NOAH (Neighbors Organized for Adequate Housing).

Ethnic dinners will be on sale for \$5 per plate. There will also be a drawing for a trip for two to the Bahamas with a second prize of a \$100 worth of free groceries.

Car wash set

The Canal Point Methodist Youth group is sponsoring a car wash on Saturday, November 23, at the Auto-Tec Center in Canal Point from 9 a.m. to 2 p.m. or later.

The cost is \$2.50 for a car wash or \$4 for a wash and vacuum. Vans are \$4 each or \$5 with a vacuum.

Gospel singers

The Northam Singers of Houston, Texas will be performing at the First Baptist Church of Pahokee on Sunday, Nov. 24 at 11 a.m.

The community is invited to attend.

Crime watch

The membership in Crime Watch has reached over 2,000 members and is still growing. Crime Watch calls have been responsible for numerous arrests for thefts, burglaries and drugs. Crime Watch members care about their community and look out for their neighbors. Crime Watch members make Belle Glade a safer and better place to live.

We cordially invited all Crime Watch members and families and anyone interested in becoming a Crime Watch member to a meeting on Nov. 24 at 3 p.m. at the New Pavilion at the Belle Glade Marina. Bring a sandwich or box lunch and enjoy good fellowship. There will also be a program.

BELLE GLADE FIRE CHIEF JESSIE WOMACK AND POLICE CHIEF MIKE MILLER have accepted the challenge to quit smoking for the Great American Smokeout.

Chiefs to 'kick the habit' for one day

By BRENDA BUNTING

BELLE GLADE—The challenge is on...and the American Cancer Society is pulling for the winner to win out in the long run and kick the habit for good.

The Belle Glade City Police Department has challenged the local Fire Department to quit smoking just for today, during the Great American Smokeout.

Police Chief Mike Miller has challenged Fire Chief Jessie Womack to see who could do without tobacco for the day.

Womack, a two pack a day smoker, and Miller, a cigar smoker, seem determined to kick the habit for the day.

Local chairwoman for the American

Smokeout / page 3

Belle Glade employees to have choice of insurance

BELLE GLADE—Belle Glade city employees will be given an option of choosing between the city's insurance or an HMO (Health Maintenance Organization) insurance.

Since the new federal law came into effect this year requiring cities to give employees a chance to choose between an IPAHMO (Independent Practice Association) and the city's New England Life Insurance.

In a workshop held on insurance by the city commission, city officials heard HMO insurance policies from AV-MED and Gulf Stream Plan spokespeople Pam Kean and Kathy Digiochino, respectively.

Both policies cover primary care, inclusive of annual checkups, emergency services, family planning, mental health, and dental care.

AV-MED's monthly rates are \$75 for an individual account and \$190 for family account. Gulf Stream Plan includes a \$73.07 individual monthly rate and \$188.22 per month on a family rate.

Both policies have coverage for individual when the individual's doctor, who is a practicing physician under the same policy, admits them into a hospital.

The city's New England Life has a \$95.32 monthly individual rate and a \$143.31 monthly rate for dependants and now requires a mandatory second opinion for non emergency type cases.

Both policies have coverage for individual when the individual's doctor, who is a practicing physician under the same policy, admits them into a hospital.

The city's New England Life has a \$95.32 monthly individual rate and a \$143.31 monthly rate for dependants and now requires a mandatory second opinion for non emergency type cases.

Both policies have coverage for individual when the individual's doctor, who is a practicing physician under the same policy, admits them into a hospital.

Belle Glade Mayor Tom Altman voiced his concern about AV-MED and Gulf Stream drawing the employees to their programs and the city's insurance plan suffer.

The insurance representatives assured him

that they only reach an approximate 10-20 percent penetration their first year.

City employees will be able to decide which insurance plan is best for them next week.

Pahokee man arrested in connection with the murder of a Belle Glade man

BELLE GLADE—A 23 year old Pahokee man has been arrested by Belle Glade police in connection with the slaying of 30 year old Howard George Stewart, which police believe was the direct result of an October 6 shooting in Riviera Beach.

Lieutenant Louis Lowery said Ferron Fritz Roy Clarke, 363 S. Lake Ave., Pahokee, was arrested Sunday on first degree murder charges and is being held in the Palm Beach County Jail without bond.

Lowery said the incident that occurred at 101 S.W. 5 Street, apparently stems from a shootout October 6 in Riviera Beach.

Clarke was reportedly shot three times by Roy Givens Clayton in an argument over a \$500 telephone bill, which Stewart, a friend of Clayton's, apparently witnessed, said Lowery.

Clayton received a gunshot wound to his foot in the fracas.

Police reports said around 9:40 Sunday even-

ing Patrolman Ray Debows received the call on the apparent homicide and confronted Clarke reportedly carrying a .38 caliber revolver in his hand and a .25 caliber automatic handgun.

Lowery said Clarke claimed the .25 automatic belonged to Stewart and stated the victim tried to shoot him.

"We have statements from witnesses which say Stewart was seated in a car when Clarke allegedly shot him," said Lowery.

The detective said Stewart received bullet wounds to the head, neck and chest. He was pronounced dead at Glades General Hospital.

No charges have been filed in the October 6 shooting in Riviera Beach but the case has been referred to the State Attorney's office.

Clarke was denied bond by Judge Don Adams at his first appearance hearing Monday.

The case is scheduled to go to the Grand Jury December 9, said Lowery.

Golf course named for commissioner

By BRENDA BUNTING

BELLE GLADE—The first 18-hole golf course in western Palm Beach County was officially designated as Bill Bailey's Back Nine, during groundbreaking ceremonies last Friday.

Former county commissioner Bailey pushed for the golf course while he was in office, according to County Commissioner Ken Spillias. He said the ceremonies wouldn't be taking place if it weren't for Bailey.

"They said about eight years ago it couldn't be done, about one year ago, it wouldn't be done, and by golly, it's being done," Bailey told the crowd gathered for the ceremonies.

Palm Beach County Commission Chairman Ken Adams told the audience that they have a commission that may seem out of sight, but hadn't forgotten western Palm Beach County.

Adams said the course was built for the use of the entire county. "They even are going to allow the people from Pahokee to play on it," he quipped with Mayor Duncan Padgett.

The course has two par-threes, five par-fours and two par-fives holes and is expected to cost \$1.6 million. According to County Director of Parks and Recreation Dennis Eshleman, the course should be completed in about six months.

GROUNDBREAKING CEREMONIES WERE HELD LAST FRIDAY to unveil 'Bailey's Back Nine', the new 18-hole golf course that will be completed within the next six months. County and local dignitaries participated in the ceremonies.

Browder chosen as 1985 Gator queen

BELLE GLADE—Krista Browder, a senior at Glades Day School and the daughter of Butch and Helen Browder, has been crowned that school's 1985 Homecoming Queen in ceremonies held at halftime of last Friday's football game.

The crowning capped a week of homecoming festivities for the Gators, who celebrated "Twenty Years of History."

Activities throughout the week included a powder puff football game, Gator Growl and a parade Friday.

The senior class swept the awards at Gator Growl, a nighttime pep rally that included skit competition and a "Miss GDS" contest.

Israel Machado won top honors in the contest with his version of Marilyn Monroe from the movie "Some Like It Hot."

The seniors also won the skit competition, and tied with the junior's for best float in the homecoming parade.

In the junior high division, the eighth grade won skit competitions and the ninth graders were awarded top prize for the best float.

Mrs. Twila Scruggs York, the wife of Deputy Sheriff Michael York and the mother of three, was recognized during activities as Glades Day's first Homecoming Queen.

A barbecue of ribs and chicken with all the trimmings was served to nearly 500 people before Friday's Gator victory over Moore Haven.

Glades Day athletes lost their challenge to alumnae in a volleyball game held Saturday. A rematch is scheduled during Christmas holidays.

1985 GLADES DAY HOMECOMING QUEEN KRISTA BROWDER is crowned by last year's queen, Kay Taylor.

Climbing a tree can be a shocking experience.

Before you or your children climb a tree, look up to see if there are any power lines nearby.

If there are, make sure there's no danger of touching them, or even coming close.

And remember that the tree itself could become accidentally charged with electricity. All it takes is for a branch to come in contact with a power line. If someone gets close to the point of contact, they could get a severe shock. And under certain conditions — wet weather, for example — the electric current can be carried all the way to the ground. That means it's also possible to get a shock from simply touching the trunk of the tree.

So always look up before you have anything to do with a tree. And tell your children to do the same. Naturally we're working to keep your trees clear of our lines. But we also know little boys and girls love to climb them.

What we're concerned about is that you and your children are aware of the dangers, so that if they should climb a tree without your knowing, you can take confident, knowing steps before climbing.

Encouraging safety is just one way we're working toward being the kind of power company you need.

Safety demonstrations and presentations on energy-related topics are available to interested groups through our Community Information Program. Ask your local FPL office for details.

Board needs more information before deciding on ambulance

By ERICK KOPP

PAHOKEE—The Everglades Memorial Hospital Board of Trustees said more information is needed before they can reach a decision on continuing to aid Belle Glade during their lack of an ambulance service.

In their meeting Monday night the board decided they have three avenues of action to follow. The hospital could continue aiding Atlantic Palm Beach Ambulance by stationing a paramedic in Belle Glade to provide advanced life support to patients.

Another option is to pull out of Belle Glade and continue to provide service in the Pahokee area only, or bid on both zones next April.

Everglades Memorial has been providing advanced life support since Glades General Hospital refused to renew their agreement with APB by stationing one paramedic per shift in Belle Glade.

The board decided to continue in this vein for 30 days more, providing it does not jeopardize regular hospital operations.

Don Anderson, Everglades Memorial Administrator, said they can pull out of the situa-

tion any time they wish.

"We're not providing ambulance service for Belle Glade. All we're doing is putting one paramedic there to ride with APB to provide advanced life support," he said.

Everglades Memorial has been supplying the paramedic at their own cost, however they have reaped some benefits from the situation. "Since this started it has cost us \$2,772, but it has generated \$3,929 in revenue," said Assistant Administrator Dale Milita.

Anderson said zone 10, the Belle Glade area, will be up for bids September 30, 1986 and that the hospital has four alternatives.

"One we can forget about it; two we can submit bids to take over zones 9 and 10; three work with APB or; four put everyone on APB payroll and try to work out some kind of control," he said.

He added there may be some problem in working with APB because they are profit motivated and Everglades is a non-profit organization.

Everglades Memorial currently receives no subsidies from Palm Beach County because their area, zone 9, is not open for bids.

If they were to combine zones 9 and 10 they would be eligible to receive county subsidies. Anderson said Glades General receives approximately \$300,000 per year from the county.

He added his hospital's ambulance service is currently losing money at the rate of \$150,000 per year.

Walter Rashley, Administrative Assistant to County Commissioner Ken Adams, told the group there were two solutions to the problem.

"First the Canal Point fire district could be expanded as it is currently the only fire taxing district west of 20 mile bend, or zones 9 and 10 could be combined for an Emergency Medical Service taxing district," said Rashley.

The county would rather combine the two zones because it would be cheaper for them, said Rashley.

"If we combine zones 9 and 10 it's going to cost the taxpayers more money, but then it would be the same as Belle Glade, the loss would be spread over the entire county," said Milita.

Rashley added if a private firm brings an ambulance service in the area would lose its ad-

vanced life support.

"I like the touch of advanced life support. If we can decrease our cost, by increasing our area, I'm all for it," said board member Ted Gallo.

Board Chairman Stan Hooks said the situation needs more study and deliberation but added, "if it in anyway jeopardizes our situation at Everglades Memorial, we pull the paramedic out of Belle Glade."

Rashley said bids would be awarded to the lowest or best bidders.

"You (Everglades Memorial), would almost be assured of winning the bid if you bid on the advanced life support because APB is only going to bid on basic life support," said Rashley.

In order to provide advanced life support a paramedic must be on the ambulance. If no paramedic is riding, the ambulance can only provide basic life support.

Paramedics are qualified to administer medicines, administer cardiac care and handle life threatening situations.

Everglades Memorial has five paramedics and 12 emergency medical technicians on staff.

Invest in humanity, Shriner's appeal for help to aid burn victims

BELLE GLADE—Each year thousands of children are injured from burn related incidents.

The Shriners, a national organization, are usually the first to step in when a burn incident happens.

Here in the Belle Glade/Pahokee area, approximately \$30,000 has been spent by the Shriners this year for transportation purposes, according to Dr. Robert Allen, a Shriner.

Whether air transport in emergency

cases or taking burn victims in personal cars to be treated, transportation can become expensive.

"We're looking for contributions to pay in to the transportation fund. The Shriners on the coast have spent a lot for us out here," said Allen, who added

that a majority of the Shriners funding is raised on the coast.

"We're appealing to local businesses to contribute toward the fund...to make an investment in humanity."

The first Shriners Hospital for Crippled Children opened in

Shreveport, Louisiana, in 1922. Since then other orthopaedic hospitals and burn institutes have been established all over the nation.

No payment is ever accepted from patients, parents, or third parties for any service or

medical treatment received at the hospitals.

Allen also said the Shriners do not discriminate and the contributions are tax deductible.

On Saturday, December 7, the

Shriners will hold a stutes.

Anyone wishing to donate to the Shriners Transportation fund the Belle Glade Marina. A \$5 donation Allen at 996-3223 or is asked for and the Don Aspey at 996-2856.

"This year we want to hold up our end," said Allen.

one month's training.

In other matters, the chamber listened to a life insurance proposal from United Chambers Insured Programs on life insurance available to chamber members.

Keith Fischer, speaker, said the insurance can

be used as a recruiting and retention tool for the chamber.

The chamber also adopted a list of 11 goals they plan to follow for the coming year. Included on the list are to increase membership, support

ing the beautification of the city, supporting local law enforcement,

encourage new industry into the area, supporting the completion of four-laning SR 30, encourage involvement in local and county elections, continue to serve as the Better Business Agent for the

local merchants and consumers, assist all newcomers moving into the area by listing rentals available in the area, continue to coordinate social events in the community, continue to sponsor charitable organizations in the community, and to promote the public image of Belle Glade.

Teacher charged with battery

Belle Glade, was arrested Friday for his connection in the incident.

According to Lieutenant Mike Mills, Ford apparently paddled a student and caused some injury.

Mills said the incident is still being investigated by sheriff's department detectives.

PAHOKEE—An East Lake Middle School teacher was charged with aggravated battery on a student, and was later released on his own recognizance from the Palm Beach County Jail.

Sources from the Palm Beach County Sheriff's Department said 34 year old John Ford, 62 Roosevelt ST,

Teacher charged with battery

Society to encourage the estimated 54 million smokers to stop smoking for 24 hours to show they can stop permanently.

Smokeout kits containing headless mat-

ches, stickers and a wristband for the nervous abstainer to snap on their wrist are available at the Belle Glade Chamber of Commerce or at Glades General Hospital.

Three arrested in South Bay cafe burglary

SOUTH BAY—Police charged three South Bay men for the burglary of the Sawgrass Restaurant located on US 27.

According to police report, on Saturday, November 16, Patrolman William Huggins arrived at the scene and learned that a metal pipe had been used to break the window on the southeast side to enter. According to two witnesses, three black men were spotted running away from the area. One was described as wearing a light colored shirt and darker pants.

Missing from the restaurant was a .22 caliber pistol and \$10

in quarters. Patrolman Danny Jones picked up Edwin Eugene Dennard, 23 and Willie K. Thomas, 26 along SW 10th and 11th avenues. Both admitted being around the area at the time.

Further investigation of the subjects revealed a butcher knife with a six inch blade in Dennard's waistband.

Giant cocaine rock seized in Belle Glade arrest

BELLE GLADE—Belle Glade police are marvelling over a 24.6 gram cocaine rock, the heaviest they said they've ever seen.

The rock, about 0.88 ounce, has a street value of about \$12,894, said Detective Albert Dowdell III.

Dowdell said he seized the rock when Joseph Charles, 38, of 1150 Palm Beach Road, was arrested Monday night and charged with possession of cocaine and possession of cocaine with intent to sell.

If the cocaine rock had been 3.4 grams heavier, only about 1 ounce, Charles would have been charged with trafficking in cocaine, a more serious charge, said Dowdell.

Acting on information from a confidential

source, Dowdell said he and Ptm. Aurelio Rodriguez found Charles at 649 S.W. Ave. C, with the gigantic rock in his possession.

Dowdell said he also seized \$1,120 in cash and booked Charles into the Palm Beach County Jail. "Charles was later released in lieu of a \$3,000 bond."

Agent, Mario Carballo of the sheriff's Organized Crime Bureau unit, said an 80 to 90 milligram cocaine rock sells for \$10 on the street.

Dowdell said the cocaine couldn't be cut again once it's in its present condition.

If anything, he said it would gain in value because middlemen might shortchange their customers.

Smokeout/ from page 1

Cancer Society, Sharon Underwood, said the challenge was one way to promote publicity for the smokeout day.

She said the smokeout is an attempt by the Cancer

Society to encourage the estimated 54 million smokers to stop smoking for 24 hours to show they can stop permanently.

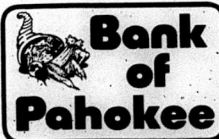

Smokeout kits containing headless mat-

ches, stickers and a wristband for the nervous abstainer to snap on their wrist are available at the Belle Glade Chamber of Commerce or at Glades General Hospital.

Hello, I'm Millie McDaniel

Computers are a very important part of modern banking but the human touch is also important. I am in the bank's accounting department where my responsibilities are to check behind the computer to determine if all the entries were made correctly and to review the bank's general ledger for accuracy. I am a native of the Dominican Republic where I attended high school and college before coming to the United States. My husband, Philip, and I have two sons, Philip, Jr., 5, and Alexander, 4. Philip works for Tru-Flo Corporation. We make our home in Belle Glade.

Our two boys are active and energetic and they keep me very busy when I'm not working. My husband and I enjoy family oriented activities and outings with Philip Jr. and Alexander. My favorite hobby is crocheting.

PAHOKEE OBSERVATION

By Eric Kopp

A day by the canal

Anyone who knows me, knows I take my bass fishing seriously. I don't play around. Unfortunately, I was snookered into taking my future brother-in-law and his wife to a couple of my more favorite canals.

The day got off to a great start. We had decided to leave around 6:30 a.m. However, I was somewhat slow in getting around and we didn't leave until after 7 a.m.

After spending 20 minutes loading coolers laden down with soft drinks, water and sandwiches, we were ready to travel.

I couldn't understand the necessity of the coolers. We were only going to be gone three hours. But, you know how women are.

A small canal south of Clewiston was our destination. On the way my male counterpart spotted a canal where pumps were running.

Knowing moving water can be a haven for bass, we came to a screeching halt.

He and I decided to make a wager of \$1 on the first, biggest, and most bass caught.

He was out of the truck before it had stopped. I thought I was out quick, but he made the blink of an eye look slow.

We had no more got our lines wet when it started.

"Well, I guess we're on our own, huh? You got over here and tie this hook on for me!" ordered his wife.

"You can do it. Don't bother me I'm trying to win \$3 from Eric," he grumbled.

Yeah, go ahead turkey. I'm going to pay you just like you paid me the \$10 you lost on the World Series, I thought.

My intended by this time had slipped a shiner on her hook and was busily fishing away, but her brother's wife, was still wrestling with tying the hook on her line.

So me, being the fine upstanding gentleman that I am, lent her a helping hand.

"I'm glad there is at least one man out here who doesn't mind helping me, and isn't thinking about winning some ridiculous bet," she semi-shouts.

"Shut up, I got one," whispers Tommy.

"I knew it! I knew just as sure as God made little green apples you were going to catch a fish while I was helping your wife," I yelp.

He reels in a white bass.

As a matter of fact, small in no way aptly describes the miniature bass he caught.

Never the less it cost me a dollar.

Okay partner, I said to my fiancée, it's time for you to quit catching the rays and catch fish.

She was comfortably stretched out on her chaise lounge with a cold soft drink in one hand, and the latest issue of Cosmopolitan in the other.

I knew this was going to be a long morning. I was working my butt off trying to catch something. I had almost exhausted my supply of lures when it finally happened.

I was working a chartreuse Bomber A crankbait around a weed bed when ol' mister largemouth came out of hiding and snatched right a hold of it.

After a short tussle I pulled in a legitimate five pound bass, it's possible she may have reached five and a half pounds. It just depends on whom I'm telling the story to.

I went off down the canal by myself in search of a couple more lunkers when I heard a cataclysm of screaming.

I turned to see my friend's wife violently pounding away on him, screaming vile and unmentionable phrases.

"You did that on purpose. You let the biggest fish of the day get away. What's the matter you trying to help them win?" she wailed.

It seems she had tied into a possibly good sized fish when her husband, while trying to be of assistance in setting the hook, somehow allowed the fish to get off.

"It wasn't my fault you didn't tie the hook on right. Don't blame me," he said defensively as he was quickly backing away from the verbal and physical onslaught.

Trying to act as an intermediary I explained to the distraught female there was a chance of him winning a dollar, in no way would he have LET that fish escape.

"Shut up. What do you know?" she screamed, heading in my direction.

I ran. So much for the art of intermediating. By now the sun was beating down and beginning to fry our brains.

Suddenly I heard a tremendous splash in the canal to me.

W.D. sprayed 25 feet into the air. I thought an iron wrecking ball had been dropped into the water.

It was my future brother-in-law. He'd decided to cool off with a quick dip.

We began to search the banks looking for fish which had been washed ashore by the "Tsunami," (tidal wave).

We didn't find any, but did nab several from the water that were unconscious from the concussion.

My opponents won a dollar from us, which I heard about for the remainder of the day.

I did learn one thing from our excursion. As long as there are soft drinks and sandwiches near by, my intended enjoys fishing.

"It says please pay this bill promptly or have your credit rating destroyed and wind up in court - have a beautiful day and remember - to save more, shop with us!"

Thursday is for quitters, support ninth Smokeout

Thursday, November 21 is a day for quitters, at least, it should be. That's the date for the ninth annual Great American Smokeout, sponsored by the American Cancer Society.

The aim is to get cigarette smokers to kick the habit, if just for a day, to prove quitting is possible.

There is no doubt that smoking is a hard habit to break. Nicotine addiction has been compared with that of heroin.

But the statistics show that smoking is a certifiable health hazard. More than 340,000 Americans die each year—from diseases linked to smoking. That represents one out of every seven deaths in the United States.

Cigarette smoking is responsible for 83 percent of all lung cancer deaths in the nation. And sad to say, in 1985, lung cancer will surpass breast cancer killer of women. This statistic is attributed to the large number of women who started smoking during and after

World War Two.

The Smokeout is vigorously supported by hospitals and American Cancer Society chapters around the Glades. A number of events are being put on to take smokers' minds off cigarettes and to keep the mood light.

The aim is simple: to provide support and assistance to smokers trying to quit for the day. One of the most supportive acts is the special "Adopt-A-Smoker" program. It's a way for nonsmokers to be part of the Smokeout and help someone they care about.

The Smokeout has been tremendously successful since its beginnings nine years as the brainchild of Lynn R.

Salt And Light

By Rev. Holland Vaughan
First United Methodist Church

Genesis 32:27-30. The power within one's "And he said to him, enemies. Naturalistic tribes have myths. "What is your name?" which maintain that if Then he said, "Jacob," your enemies have no name shall be no more called Jacob, but such as your name) Israel, for you have little they will have little power over you. This is why Jacob wanted to know the name of the angel which really was pray, your name. But God. This is why we close our prayers with you ask my name? "In the name of God" And there he blessed him. So Jacob called the name of the place Peniel, saying, "For I have seen God face to face, and yet my life is preserved..." If we truly love people, we love to share with them. We do not want the Russians to know too much about us and they do not want us to know too much about them. The reason is that we don't trust each other. I want to share my life and love with you, I want you to know my name.

Many cultures have customs associated with their growing. Let us all take this with information and seriously.

Let us all take this with information and seriously.

Smith, editor of the Monticello (Minn.) Times. In 1977, the Smokeout was observed for the first time nationwide.

Last year, a record number of smokers—an estimated 20.4 million, according to a Gallup poll—look part in the Smokeout. Of those participants, 5.4 million smokers—about 10 percent of the country's total—succeeded in quitting for the day. Approximately 3.1 million still were not smoking five days later.

This year's goal is to get at least one of every five smokers to give cigarettes from midnight to midnight Thursday.

But those efforts should not be limited to just cigarettes. Pipe and cigar smokers are urged to join in, as well as those who use "smokeless tobacco," another growing health hazard.

So refrain from lighting up, at least on Thursday. We'll all breath a little easier.

Thanksgiving is a time for reflection

Dear Editor:

Thanksgiving is a time when we, at the Palm Beach Regional Visiting Nurse Association, reflect on the outstanding support we receive from the entire community.

The VNA is celebrating its fortieth anniversary of service this year. Being the only nonprofit, voluntary, home health agency since 1945, we have the privilege of serving all people, regardless of race, creed, age or income in all areas of

Palm Beach County, including Belle Glade.

Home health care is an important part of the American health system. It saves money because skilled, professional care is administered at home, getting people out of institutions, preserving family life. Truly, recent studies show that people recover better and faster in their own homes.

It is on behalf of those of our patients who are indigent that we are most thankful to the community.

Letters

Without the financial support through donations directly to the VNA as well as through the United Ways and Community Chests, VNA would not be able to make a dent in meeting the needs, which are great and almost overwhelming.

And so, all our volunteers, our leaders, our physicians, our generous donors and the entire community, sincerest thanks from your VNA.

Sincerely,

Marilyn H. Shiffert
Executive Director

Plaudits to Glades Day School system

Dear Editor:

On behalf of my wife and myself, I would like to take this opportunity to pay my compliments and utmost respect to the Glades Day School system, its teachers, its coaches, its students and the parents of the students.

This year we sent of 16 year old son, who is a junior, to Glades Day for the first time. Since that time I have seen a remarkable change in his attitude and in his general outlook on life. For this I give the credit partially to his efforts in trying to improve himself and making a fresh start in a new school. But, more overwhelmingly, I give the credit to the people of Glades Day School.

by their actions they take the overall picture of life and try to turn it into an educational experience itself, where it isn't wrong to enjoy an education.

You can feel the fondness the teachers have for their students and in reciprocation, you can see the respect and affection that the students display for their teachers and the administrators of the school.

It has been a long time since I have been around a collection of responsible, bright young people. Our hearts go out to the people who are responsible for Glades Day and we will share both the financial and moral support to insure that this tradition continues.

Our family is indeed proud to be a part of this system and on behalf of our children, we say thank you!

Respectfully,
Mr. and Mrs. Carol W. Redish, Jr.

Letters policy

We solicit and encourage letters to the editor:

- Our guidelines are simple:
- No libelous content.
- Letters should be relatively brief - no more than 300 words as a general rule.
- Signatures are required.
- No poetry, please.

Defense shines as Blue Devils run over visiting Northshore 21-7

By ERIC KOPP

PAHOKEE—The Pahokee Blue Devils ran up 340 yards of total offense to win their third in a row as they rolled over visiting Northshore 21-7 at Lair Field.

Coach Don Thompson said his squad eventually overpowered Northshore in Friday's contest, and he had high praise for defensive tackle Clarence Bess who recorded 6 quarterback sacks.

"He (Bess) was great. He really played a bang up game," said Thompson.

Thompson said the Blue Devils had to come from behind as Northshore broke out on top with a long pass play in the second quarter.

The Blue Devil came right back as senior quarterback Pernell McKelton romped 60 yards on an option play for Pahokee's first score. The point after was kicked by Lavelle Williams.

In the third stanza McKelton again figured in on a touchdown, as he tossed a 30 yard TD

strike to wide receiver Walter Britt. Williams again added the point after.

Pahokee scored their last touchdown when the Blue Devils defense held Northshore and forced them to punt on their own 20.

On the punt, defensive end Tyrone Campbell charged in a blocked the kick, scooped it up and ran it in for the touchdown. Again Williams kicked the extra point.

McKelton was named as the game's most valuable player. Tight end Cory Graham was named outstanding offensive lineman.

Defensively, Omar Brown was named outstanding defensive lineman and Alphonso Smith won outstanding defensive back plaques.

Smith also added 100 yards rushing for the offense.

Tyrone Campbell was named the unsung hero for the game.

Defensive back Lawrence Manderville kept his fumble recovery string going as he pounced

on another loose pigskin to record a fumble recovery in every Pahokee game this year.

Thompson said Manderville has a total of 12 recoveries this year.

"I feel like we're getting ready to play the Dolphins," said Thompson of this week's rival, Glades Central.

The Blue Devils and Raiders will square off in their annual "Muck Bowl" with the Raiders holding a big edge in size and statistics.

"How they've lost a game surprises me," said Thompson.

The Pahokee head mentor said the visitors will average 240 pounds across the line, have tremendous speed in the secondary, and lead their conference in offensive and defensive statistics.

"We're just going to go about our normal game plan. We've watched films of them and we can't find any weaknesses," Thompson said.

He said he expects the Raider offense to run a very aggressive inside trapping game and show a lot of different offensive looks.

Thompson said offensively the Blue Devils will try to run dive plays right at them with the fullback, then try to move it outside.

"I don't know though. They have unbelievable speed. I'm not sure anything will work against them," added Thompson.

Another problem, said Thompson, is keeping his player's excitement down.

"The kids are ready. We've got to try and keep them down a little so they don't peak too soon," he stated.

After facing the Raiders Friday night, the Blue Devils will travel to Immokalee to face the winner of Bishop Verot and Immokalee in a Kansas tie-breaker for the district championship.

"That's going to be rough. Glades Central's big and aggressive. I just hope we're not banged up too badly," said Thompson.

Raiders 'stall', as Clewiston rolls over Glades Central 37-12

BELLE GLADE—The Glades Central Raiders pulled out all the stops Friday night and for the first 24 minutes managed to stay with the Clewiston Tigers.

Reverses, option passes and long bombs were all taken out of the Raiders bag of tricks and it worked for a while, as Glades Central went to the locker room at halftime trailing the number three ranked 3A team in the state only 14-6.

They should have stayed there.

The Tigers converted numerous Raider miscues into 16 third quarter points to pull away for a 37-12 District 7-AAA win.

The victory improved the Tigers' record to 8-1, 6-0 in the district, while Glades Central fell to 5-0, 3-3 in the district.

"I think we got some breaks," said Clewiston Coach Al Morrell. "Glades made some mistakes and we were able to take advantage."

Unfortunately the same could not be said for the Raiders. They had only five third quarter plays, turned the ball over twice and could not manage to get a first down in the second half until there was slightly over five minutes left in the game.

"I felt pretty good at halftime," said Glades Central Coach Dan Brown. "But we tried some things in the second to get back into the game and we broke down. We stopped tackling."

The Raiders tried some things early too. Glades Central shocked the Tigers on the fourth play of the game, when running back Andre Edwards found receiver Darrell Sanders a good three steps ahead of Tiger defenders. The option pass covered 57 yards and the Raiders had a 6-0 lead after Mike Smith's extra point was blocked.

But Clewiston came right back and put together a seven play, 74 yard drive capped by a seven yard touchdown run from running back Glen Hibbert. Charles McCoy's extra point was no good and the first quarter ended 6-6.

Central threatened early in the second quarter, as quarterback Jimmy Spencer moved the Raiders to the Clewiston 26, mostly on the strength of his own 22 yard run and two passes.

But Spencer went to the well once too often, trying to hit Sanders across the middle. The pass was too far in front of the receiver and

Clewiston's Doug Parris came up with a diving interception at the Tiger's 5.

Thirteen plays later, quarterback Dwight Nicholas looped a pass high into the endzone, where Emmanuel Rouse outleaped a Raider defender and came down with the ball and the score. The drive was aided by a fourth down Raider offside penalty. McCoy's extra point gave Clewiston the lead.

For all of Glades Central's third quarter problems, it did not start that badly for the Raiders. The Tigers took the opening and moved to the Raider 12. But Hibbert lost a fumble at the six and Central's Ricky Clark recovered.

The break, however, turned out to be the beginning of the end for the Raiders. Brown sent backup quarterback Lorenzo Camel into the game and moved Spencer to wide receiver. On his first play from scrimmage, Camel went back to pass in his own endzone, slipped and fell for a safety. Clewiston's Tony Baxter got credit for the sack, being the closest defender to the play.

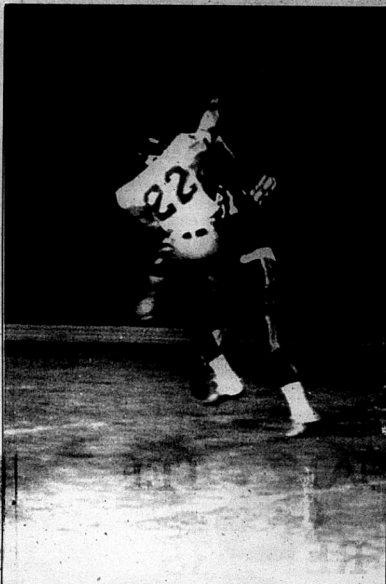

Parris returned the ensuing free kick to the Raider 46. On the Tigers' first play, Nicholas kept the ball on the option and rambled the full 48 yards for another score and Clewiston led 23-6, just like that.

But the horror show wasn't over yet for the Raiders. On the first play after the score, Camel fumbled the exchange and Robert Roma recovered for Clewiston at the Central 23. That set up a one yard TD run around the right side for Nicholas that made the score 30-6.

Clewiston had one more in store. Following a Raider facemask penalty, Artie Rashford slapped off tackle for 25 yards to ice the game.

Central did come back late in the fourth quarter, Sanders took a pitchout and ran 34 yards untouched that made the final 37-12.

"We just never got it going in the second half," reflected Brown. "We never had field position and we just came out there and stalled."

A GLADES CENTRAL RAIDER BATTLES a Clewiston player for the ball in Friday's loss to the third ranked team in the state 3A division. Raider head coach Dan Brown said his team just never got it going in the second half. "We never had field position and we just came out there and stalled," he said.

Gators 'put the bite' on visiting Terriers, savor 29-0 district win

By ERIC KOPP

BELLE GLADE—The Glades Day Gators put on a football clinic for the school's alumni, as they trounced their homecoming opponents, the Moore Haven Terriers, 29-0.

Even head coach Byron Walker was pleased as he dropped his stoic game face, and broke out in a big smile at the way his Gators were performing.

"We made some mistakes that hurt us, but I was pleased with the way the kids played," he said.

Going into the game he had some concern on stopping freshman running back Wayne Moore, but the Gators seemed to have no trouble.

When asked how the Gators did it Walker said, "we just tackled him."

"We're physically stronger than most of the teams he's used to playing against. We bruised him up a little bit," said Walker.

Tailback Jorge Suarez led the Gators offensively as he scored two touchdowns, and carried the ball 20 times for 139 yards.

The Gators got their first touchdown when

they took a Terrier punt on the Moore Haven 41 yard line and put an 8 play drive together with Suarez capping the drive with a 2 yard scoring run with 3:28 left in the second quarter.

John Hundley kicked the extra point to give the Gators a 7-0 lead.

Glades Day scored their second TD at the end of the half on a bit of chicanery.

On a first and ten from the Moore Haven 48 yard line, the Gators ran a tight end reverse pass calling Gary Coursen's number.

But, instead of running the ball Coursen pulled up and threw a 58 yard touchdown strike to Jason Mann.

Running back Ramsey Hayes ran the ball in for the two-point conversion to put the Gators up 15-0 at halftime.

Coursen not only threw the scoring strike but helped to set it up as he intercepted a Lavon Brown pass on the Gator 40 yard line with :06 seconds left.

The Gators scored next on their second possession of the second half when Hundley capped a 30 yard, 7-play drive, by sprinting

to the endzone from 8 yards out to give the Gators a 21-0 lead.

Trey Sizemore kicked the extra point to put the Gators up by 22 with 3:14 left in the third period.

The Gators added their final seven points of the evening when, with 3:25 left in the game, Suarez took the handoff from quarterback Lee Lohmann on a fourth and one play from the Moore Haven 35 and didn't stop until he had crossed the line into pay dirt.

Sizemore booted the ball through the uprights to give the Gators their needed 29-0 district win to once again put them into the playoff picture.

The Gators will travel to Melbourne Friday night for their final regular season game with Melbourne Central Catholic (1-8).

Walker said he expects the host to do different things on defense to try and mix-up his offense.

He said Melbourne will run out of the split backfield and 1 formations.

Walker said wide receiver Mike Mills won't

play due to a sprained ankle.

"Mike has had ankle problems just about all season. It was just about healed up, but he re-injured it again Friday night so we're going to hold him out and have him ready for the regional championships," said Walker.

Starting linebacker Willie Bueno will also see limited action because of fluid on his knees.

"Willie has gotten better all year. He's strong and has great potential. He'll play some, but we need to get him healthy, too," Walker added.

The Gators will face American Heritage (8-1) from Miami at the Glades Day Stadium November 29, beginning at 8:00 p.m., for the regional championship.

Walker said he hasn't had a chance to learn a great deal about the visitors but does know they possess a good passing game.

"We know they've got a quarterback that transferred in from a 4-A school that's a real good passer, so we expect to see the air filled with footballs," he said.

THE PILE UP IS IN THE MIDDLE so Gator tailback Jorge Suarez skirts around end for the touchdown.

Cougars win little league championship

BELLE GLADE—The Cougars, with a 14-0 record, have been tabbed as league champs of the Lakeshore Recreation Department's Little League Youth Flag Football program said Luis Butts, Assistant Supervisor.

The Jr. Raiders won the tournament championship in single elimination play on November 16.

Rounding out league standings were the Electro's in second

place with a 12-2 mark; third was the Alpha Roughriders, 10-4; Jr. Raiders, 9-5; Jalapeno Kids, 4-10; Chiefs, 4-10, and the Okeechobee Project, 1-13.

The Cougars did not participate in the tournament.

Fishing the 'Big O with Tennessee; Terry Trail tourney results

The fisherman on Lake Okechobee had a about 9:30 and late fantastic time this evening 5 o'clock till week. Smaller bass, but dark are the best time great fighters, in the 2 right now. Bass fishing to 4 lb. size have been will greatly improve plentiful this week. The each day as we ap-fish are being caught proach the oncoming on Gambler worms full moon, Nov. 28.

My guide party of Sal- (black grape-green glit- ter), Charlies, worms, ly and Erve Pilot from (Emerald Fire).

The devil horse is strictly top water still the number one fisherman, had 8 fish top water plug. Small that totaled 21 lbs. this rattle traps worked week. Also Al Harris along the outside and E.L. Ivey caught grasslines are produc- 11 real nice fish on ing some good fish. shiners this week.

Gary and Adam Fountain from West Palm Beach were back again this week and caught another 8 1/4 lb. bass. Adam, who is 6 or 7 years old, caught a 5 lb. and 8 lb. catfish.

Benton Tison says that a few specks are starting to show up in the cuts using the Christmas Tree Jig by Thomas.

The Terry Ford Trailmaster Bass Tour-nament Classic was fished at J-Mark Fishcamp this past

Sunday. The results were:

First place: Jim Fowler and Steve Porter, from Okeechobee, with 25 pounds 2 ounces. They both received the use of two new Ford trucks for one year.

Second place: Freeman Lee and Robert Haff, from Ft. Lauderdale, with 23 pounds 3 ounces, received \$1,500.

Third place: J.T. Adcock and Charlie Infinger (Charles worms) 23 pounds 1 ounce and

received \$750.

Fourth place: Pablo Seiches and Harold Perock, from Belle Glade, with 23 pounds.

Fifth place: Burt Capwell and Ray Waters, from Storm-bats, with 22 pounds 13 ounces, received \$250.

Big Fish Winner: Freeman Lee, with 6 pounds 9 ounces.

Mercury Prop: Mary Terburn, from Clewiston.

Phoenix Rod: Paul Graehen, from West

Palm Beach.

Eagle Chart Recorder: S.D. Lewis, from West Palm Beach.

I want to thank all of the local people who came out to the weigh in. WSWN radio sta-tion (Jim Michaels) for the live broadcast, all of the people from Terry Ford who work-ed real hard this year, and especially Harvey Smallwood (owner Terry Ford) for the Best Bass Tournament on the Great Lake Okechobee.

FISHING WITH Tennessee

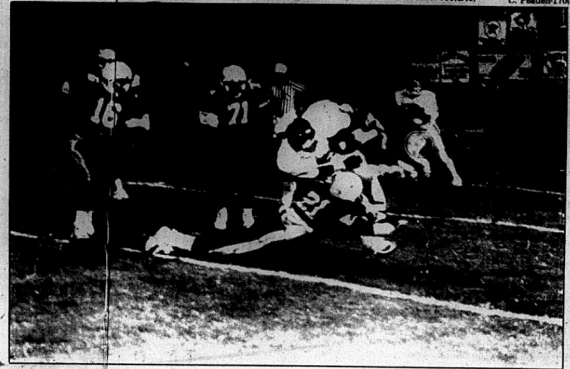

Boating tip for this a boat sideways could week: If you own a new be hazardous to the or late model bass boat boat and yourself. of any kind, be sure to load the boat straight. Safe boating and on the trailer. Towing good luck fishing.

A MOORE HAVEN RECEIVER STRETCHES but can't quite reach the pass, as the Glades Day defeated the Terriers 29-0 in their homecoming game last week.

DARRELL SANDER MAKES THE TACKLE ON A CLEWISTON KILMER in the Raiders 37-12 loss to the Tigers.

Don't let Hypertension get you down in the prime of your life

High blood pressure. As many as 20 million Americans have it, and most have no symptoms at all. Yet if left untreated, the heart and arteries may not function as well as they should and other body organs may be affected. There is increased risk of stroke, heart failure, kidney failure and heart attack.

The only way to find out if you have high blood pressure is to have your blood pressure checked. If you can do a great deal to reduce it. A change in diet may be prescribed, or perhaps

a change in lifestyle, such as quitting smoking, losing weight and getting more exercise. In addition, many medications can be used to reduce and control high blood pressure.

At Glades General Hospital, we want you to get the most from your life. That's why we've established a comprehensive range of services for residents of the Glades.

For more information about new developments in the treatment of high blood pressure, give us a call at (386) 996-4455.

Beta Sigma Phi meeting held

BELLE GLADE -- Members of Precursor Gamma Omicron Chapter of Beta Sigma Phi, met Tuesday, November 12, at the Lindrose residence, with President Dee Luce presiding.

Communications from International concerning the Florida State Convention were read. The theme will be "Rock Around the Clock" and will be May 16, 17, and 18 at the Sheraton Twin Towers in Orlando.

Service Chairman

Flo Jones thanked members for bringing food and canned goods for the annual Thanksgiving Basket. To be given to the Katherine Price Foundation this year.

In December, the Chapter will again participate in bringing wrapped and labeled Christmas gifts for Mental Health patients.

The social chairman announced the November social, a steak supper, to be held at the Elk's Club on

Saturday, November 16.

At the close of the business meeting, a program was presented by Esther Walker on "Real Estate."

Hostess Ginny Lindrose and Co-hostess Edie Kirchman served refreshments to the group.

Others present were Virginia Anderson, Pat Ayres, Marie Batilo, Nancy Carpenter, Mary Nell Cook, Gene Connell, Gene Cross, Jeanette Dexter, Vivian Pate and Dot Ribicchi.

Christmas party planned for students

PAHOKEE -- Parents in Pahokee, who have students away in college have gathered together and planned a Christmas party for their children.

Students in college are asked by the sponsors to donate \$20 to the cause and help make the occasion a success.

Contact persons are Loran Barnes (924-5162), and Henrietta Allen (924-2146).

The party is planned for New Year's Eve and the donation deadline is December 5.

DO SOMETHING NICE FOR YOUR CITY...KEEP BELLE GLADE CLEAN AND GREEN, was the winning slogan for the Belle Glade Beautification Committee's slogan contest. Chairman Dr. Effie Greer presented Robb Hendrix his trophy for entering the winning slogan. Hendrix is a fourth grade student at Glades Day School.

Pahokee Rotarians apple sale to begin Saturday

PAHOKEE -- If you can't visit the North Carolina mountains for the fall, at least you can have the fresh taste of North Carolina apples for Thanksgiving, announced Dale Milita, chairman of the annual Pahokee Rotary Club Apple sale event.

Rotary Club members will be selling half-bushel lots of freshly harvested apples in four favorite varieties this Saturday, Nov. 23 at the city parking lot adjacent to the fire department in

the fire department in North Carolina. The Rotarians will also be available at \$4 per gallon. Rotarians will be filling orders placed during the past few weeks and making deliveries all day on Saturday, Nov. 23. To make your order, prior to Saturday, Nov. 23, call Dale Milita at 924-7294 or contact any member of the Pahokee Rotary Club.

Moonbeam beauty pageant

BELLE GLADE -- The Moonbeam Beauty Pageant will take place, at the Belle Glade Civic Center on November 23.

The contest includes boys and girls between the ages of 0-11 months, 1-2 years; boys between the ages of 3-7; girls between the ages of 3-6, 7-10, 11-13.

Winners receive trophies, banners, crowns, gifts, and paid entry fees for the state finals. Three runners up from each age category

Church of God bazaar set

PAHOKEE -- The Ladies Ministry of the Church of God in the Lowes will hold their annual Christmas Bazaar and Ladies Luncheon on Saturday, Nov. 23 at the Pahokee Woman's Club, located at the corner of Barfield and 1st Street.

Recipes of the late Louise Hodges will be available in a cookbook sold at the bazaar. Proceeds will go to the church kitchen building fund.

The bazaar hours are from 9 a.m. to 2 p.m. The luncheon will begin at 1:30 p.m. and continue until 2 p.m. Orders can be placed for your cakes by calling the church kitchen at 924-5531 after 1 p.m.

New business has that 'Touch of Class'

BELLE GLADE -- The new formal wear apparel shop, opened recently by Gloria Burdett at 1100 North Main Street, Suite 105, also rents tuxedos. Some of the formal wear available for sale includes designs by Jessica McClintock,

whose Gunne Sax line is featured often in Seventeen magazine. Other lines carried by the shop include Lew Leaf, by Samir. "We cater to all ages who need formal wear," Burdett said. She said they have

clothes for all the holiday parties coming up and also gloves, jewelry, hats and accessories.

The clothing sizes range from school girls size 3 to fuller figure sizes up to 24 1/2. "We try to keep a moderate priced gown for different organizations in the area who have to have several different dresses throughout the year for various functions," Burdett said. "I'm not here to get rich overnight, I'm trying to cater to the needs of Belle Glade," she added.

TOUCH OF CLASS has holiday dresses. The store opened recently in the and accessories to fit your budget. Town Square at the corner of North according to owner Gloria Burdett. Main Street and Ave. L.

Night plumbing class offered at West Tech

West Technical Education Center is offering a part-time evening plumbing class. The instructor, James Davidson, said, "Students can learn skills for residential or light commercial plumbing."

He said students will be able to become registered plumbers if they study enough and pass the required test. "Plumbing is a trade that is in high demand. In Palm Beach there is a large amount of pipe-

Garden club has meeting

The Belle Glade Garden Study Club held its November meeting at the home of Mrs. Brack Maupin in Clewiston, Nov. 8. Mrs. Iz Nachman was co-hostess.

President Joan Baughman presided and also gave the program on "Creating a Rock Garden." Each member made her own garden out of materials provided by Mrs. Baughman and Mrs. M.J. Luce. Pictures were taken of the dish gardens by Mrs. Maupin.

The December meeting will be a Christmas party luncheon at the home of Mrs. Bobby Steele, Dec. 13.

APPLES

PAHOKEE ROTARY CLUB ANNUAL APPLE SALE

AWARD WINNING

William Tell BRAND APPLES

Your Choice

4 Varieties

Just \$10.00

Half Bushel

RED DELICIOUS A worldwide favorite, this juicy, crisp and sweet flavored variety has a beautiful shiny deep red finish and characteristic shape. Although not recommended for cooking, it is the number 1 eating apple for snacks and salads.

GOLDEN DELICIOUS This versatile apple with its mild sweet flavor is great for snacks, baking and all kinds of culinary use. Its smooth yellow-green skin and firm sweet juicy flesh make it the favorite of both young and old.

STAYMAN WINESAP The "King" of the Winesaps, a North Carolina favorite, is mildly tart with a distinct Winesap flavor and very crisp flesh. Characterized by a somewhat dull finish with red striping, this apple is great for both eating and pies.

ROME BEAUTY Best known as an excellent baking apple, this beautiful bright red apple with its medium textured, yellow flesh is good for all uses. A good, long keeping apple with a sweet low-acid flavor, it is sure to please apple lovers everywhere.

Well, another basketball season has arrived at Christian Day School. The Crusaders and Lady Crusaders have been practicing basketball to prepare themselves for an exciting season. We wish them good luck!

The 1985 football season ended this past Saturday. The varsity football team played Westminster, and the score was 22 to 11 in our favor. They ended their season with a record of 7 and 3. The Crusaders had a spectacular, winning season.

Gator Gab

Christy Hadspeth

Thanks to a lot of pride and spirit, Gator Homecoming '85 was a tremendous success. Everyone wanted to have a part in "Gator History in the Making" and make extra-sure that the next 20 years at GDS would be just as special.

Fire prevention tips for this winter

Winter time is almost upon us and many families will begin to look for those old electric and fuel powered heaters.

Let's give a good visual check to see that all cords and plugs are in good condition, free from cuts and dry rot. Remember to replace old wicks and make sure there are no fuel leaks, and above all, keep proper clearance from nearby objects.

If defects are found, take the appliance to a qualified person to be repaired. Often, trying to make these repairs yourself end in injury or tragedy.

Captain Yancey
Fire Marshal

ning season.

Congratulations to the coaches and the entire team! Our whole school is proud of these Crusader athletes.

After many weeks of hard work, the Christian Day Crusader Choir left for the mountains of North Carolina. This past Sunday the choir began their long-awaited tour.

They went first to South Carolina and headed toward North Carolina on Monday. They will also travel through Georgia and Tennessee.

The main reason for the choir's tour is to let the people know about Jesus Christ and the salvation we can receive through Him. The will do this through their music. We wish them a safe trip.

With Thanksgiving just around the corner, it

is time to stop and realize the many blessings God has given us. We usually think of Thanksgiving as one big meal set on the table, but the main reason we have Thanksgiving is to give thanks to the Lord for everything He has given us.

The Crusaders will have a short week next week. School will be dismissed at noon on Wednesday, and there will be no school on Thursday and Friday. Have a happy Thanksgiving!

Last Thursday night was Gator Growl and each grade gave their all in the skit competition and the Ms. GDS contest. There were some unlikely candidates for Ms. GDS, but in the end the senior class dominated with their entry of Marilyn Monroe, escorted by husband Joe Dimaggio.

All of the seniors knew that under that blonde wig was Israel Machado, but I must say he did Ms. Monroe justice.

Runners up were Roxanne (Bubba Resmondo) and Jake of Tarzan fame (Willie Bueno).

In the skit competition, the seniors triumphed once again with their rendition of a Moore Haven pep rally. All of the grades should be commended for their hard work and their ability to give everyone a lot of laughs.

Friday began with a parade and ended with a terrific dance to celebrate our 29-0 victory over

Moore Haven. The high point of the evening was the crowning of Krista Browder, daughter of Butch and Helen Browder, as Glades Day School's 1985 Homecoming Queen.

Also the results of the float competition were announced with the 9th grade winning in the 7-9 grade category and the 11th and 12th grade sharing the honors in the 10-12 category.

This is the fifth year in a row that the class of 1986 has received this honor, proving that they really are the "class with class!"

Finally, this Friday night our Fighting Gators go up against Melbourne Central Catholic. This is a very special game for Glades Day because with a victory, the Gators will have won their 100th football game since football began at GDS.

Come on, Gators, let's go out there and make our 100th victory really shine!
